

**REMARKS**

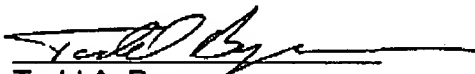

Applicant respectfully requests entry of the present amendment amending claims 34 and 35 and adding new claims 57-60 under 37 CFR 1.312. Claims 34 and 35 are amended for the sole purpose of correcting a clerical error by replacing the term "folded" with the term "straight" in each claim to provide agreement with the base claim 25. The newly presented claims 57-60 all depend from claim 37, a claim already allowed by the Examiner. Thus, new claims 57-60 do not require any additional search or examination by the Examiner. Support for new claims 57-60 is found in the specification in the form method claims that were not elected.

**CONCLUSION**

For all the reasons stated above, Applicant respectfully submits that the application is in a condition for allowance. No fee is due for this amendment. The Commissioner is hereby authorized to charge any additional required fee for this response or credit any overpayment to the **Deposit Account No. 13-0010 (IO-1016-US)**.

Respectfully submitted,

Date: March 26, 2004
